

Leading Edge

Integrated Worksite Wellness Solutions

The Process Elements

Leading Edge wellness solutions include processes, not another expensive coaching program.

Health Risk · Cost · Absenteeism · Presenteeism
Awareness · Insurance · Cost · Productivity
Lost Time · Cost · Injuries · Recordable
Healthcare · Literacy · Cost · Rates ·

The *Leading Edge* advantage includes processes that put into practice the following elements:

- Management Commitment
- Health Risk Awareness and Education;
- Evaluation of safety procedures, programs, committees and departments;
- Assignment of Responsibilities;
- Procedures for correcting unsafe/unhealthy conditions;
- Health Benefits Awareness;
- Engaging Programs;
- Streamlining vendor programs;
- Healthcare utilization assessment;
- Health and healthcare literacy
